

WARRANTY

Kiwi Showers Limited warrants that high quality materials and workmanship have been used in the manufacture of its tapware. If the product fails due to a fault of manufacture, Kiwi Showers will at its option repair or replace the product provided that:

- The completed warranty certificate is handed to the Supplier with fitting details, **the original invoice and packing slip.**
- That such defect shall be found to Company's satisfaction to have arisen from faulty design, workmanship or materials.

The company will not be liable:

- Failure to produce the original invoice, providing date of purchase;
- Damage incurred during installation;
- The installation not conforming with fitting instructions;
- Unauthorised modification or repair;
- Surface deterioration due to cleaning methods not in accordance with instructions. (refer to website);
- Warranty Installation costs;
- Shipping costs; and
- Frost damage (outdoor showers)

- Cleaning is recommended using a soft cloth and a non-abrasive cleaner.
- All stainless steel and chrome plated surfaces and valves are protected by a five year warranty.
- Rose and hose are guaranteed for a period of one year.
- Cartridge is guaranteed for a period of two years (supply only).
